## HOTELS IN NEPAL

### **DWARIKA'S HOTEL**

Nepal has eight World Heritage sites and has won two Heritage Awards –one for the medieval city of Bhaktapur and the other for Dwarika's Hotel. The magnificence of Dwarika's is its Newar style buildings of intricately carved wood and terracotta work that must have taken 10 million hours of the best craftsmen in Nepal. But Dwarika's is also about intimate luxury and the spirit and hospitality of the Nepali people. [More details](#)

Just a 10 minutes drive from central Kathmandu, this hotel is all about preserving the Newari architecture and heritage which offers a lush and pampering ambience.

### **HOTEL RADISSON**
